

SKATEBOARD PARK MEETING MINUTES
WEDNESDAY, MAY 15, 2002
6:30 P.M.

President Shawn Sweet called the meeting to order.

Sweet stated that he attended the demo, he would have liked for it to be bigger but that it turned out ok, was a lot of people participating. He felt that it was in a good place next to the food stand and as people sat and ate they watched the demonstration.

Sweet asked if when the Skateboard Park is built would they be able to skate right away or have to wait until it was all complete. Sharpe stated she didn't know and for him to check with Charlie Brown.

Sharpe informed the committee that Kent Clark and Charlie Brown felt that with the design this group drew there was a lot of wasted space and they may have to change a few items around. The committee felt this was ok.

Sharpe shared with the board that this weekend is the Car Wash at Wal-Mart from 9:00 a.m. to 2:00 p.m. and that she needs all the help she can get. Please bring your buckets, sponges, soap and towels.

Sharpe reported that the Spring Fling Bake sale, Raffle and Demo went real well. Was a beautiful day and after expenses were paid the group made \$129.50.

Sharpe read a letter to the editor thanking those involved with the Spring Fling. Thanking Bailey's True Value for donating the kids tool set which was won by Debbie Wayt; the screwdriver set which was won by Tony McAhren and the spotlight, which was won by Scott Murray Bate. Thanks to Joyce Miller for the Huckelberry Hutch's donation of a wonderful smelling basket, which was won by Dawn Stephens. Thanks to Vogel's Florist and Lorri Land for donating the beautiful flower arrangement, which was won by Linda Wildey.

Thanks to the Parks Department for allowing us to use their popcorn machine, thanks to the Huckelberry Hutch for allowing us to set up in front of their business and to Joyce Miller, Lorri Land, Paula Shelton, Theresa Kontos and Leeann Jarman and all the skateboard park committee members that helped me man the event and all those that donated bake sale items.

Sharpe thanked Linda and Mike Wittman of Christian Values. They donated \$2.00 for every Heavenly Scent candle sold through their store through the month of April, which brought in \$254.00.

Thanks to Cathy Linville from Subway for the donation of \$48.00. She put a donation can in the Subway store to collect money.

Thanks to the Rush County Schools Classroom Teachers Association for their donation of \$100.00.

To date the committee is just \$380.82 shy of the \$10,000 mark.

Hopefully with the car wash at Wal-Mart this Saturday, May 18th, the kids will reach \$10,000.

Sharpe stressed she hoped to see everyone at Wal-Mart Saturday from 9:00 to 2:00.

Sharpe shared with the board that the Parks and Recreation Board approved a quote from Oler's Fencing and Construction Company for the fence at the new skateboard park at Community Park in the amount of \$6,960.00.

There being no further business, Steve Bowling moved to adjourn. Jessie Herbert seconded. Motion carried. Meeting adjourned at 7:00 P.M.
